The joint committee shall meet as often as the parties reasonably deem necessary in order to gather and furnish to the other all information with respect to the matter in issue which the Parties believe to be appropriate and germane in connection with its resolution. The joint committee shall discuss the problem and attempt to resolve the dispute without the necessity of any formal proceeding. During the course of discussion, all reasonable requests made by one party to another for non-privileged information, reasonably related to this Agreement, shall be honored in order that each of the parties may be fully advised of the other's position. The specific format for the discussions shall be left to the discretion of the joint committee.
- 9.1.2 Should the Parties not resolve the dispute in terms of clause 9.1.1 within a period of 14 (fourteen) days, the dispute shall be referred by the joint committee to the Chief Executive Officer (CEO) of PayGate and a suitable Executive Manager from the Merchant, who shall follow a dispute resolution process similar to the process described in clause 9.1.1.

This period shall be deemed to run notwithstanding any claim that the process described in this clause was not followed or completed.
- 9.2 Formal Dispute Resolution: Save in respect of those provisions of this Agreement, which provide for their own remedies, which would be incompatible with arbitration, a dispute that arises in regard to –

- 9.3 That arbitration shall be held –
- 9.3.1 with only the Parties and their representatives including legal representatives, present thereat;

If that person fails or refuses to make the nomination, either Party may approach the High Court of South Africa to make such an appointment. To the extent necessary, the High Court is expressly empowered to do so.
- 9.7 If the Parties fail to agree whether the dispute is a legal, accounting or other nature within 10 (ten) days after the arbitration has been demanded, it shall be considered a matter referred to in clause 9.5.2.
- 9.8 The Parties shall keep the evidence in the arbitration proceedings and any order made by any arbitrator confidential unless otherwise contemplated herein.
- 9.9 The arbitrator shall be obliged to give his award in writing fully supported by reasons.
- 9.10 The provisions of this clause are severable from the rest of this Agreement and shall remain in effect even if this Agreement is terminated for any reason.
- 9.11 The arbitrator shall have the power to give default judgment if any party fails to make submissions on due date and/or fails to appear at the arbitration.
